**Subject:** Timber Mailing List Update

**To:** Interested Parties

The Olympic National Forest is consolidating its mailing list for Timber Sale Notice Letters. We will now only have one list for all timber sales on the Olympic National Forest regardless of timber sale size, including deck sales. We encourage interested parties to opt for email, to save the government the expense of mailing bid letters. By opting for Email, you will also receive the notice the day of advertisement and not experience the delay of a postal mailing. Please respond by email or mailing the enclosed form by July 1, 2025, or your name will be removed from the mailing list.

Email Response: Please include the subject as noted below in the subject line of email, details in the form 1-5, and preferred method of notification.
